About The Theater

Did you know that the Walpole Footlighters is one of the oldest community theaters in the country?

The theater was organized in 1924 by a group fondly called “The Original Thirteen” with a production of *The Dover Road* in the Walpole Town Hall. In 1939, the Footlighters secured permission to use the Lewis Barn, which was located on East Street, as a theater. “The Barn” was our home for the next twenty years until 1959. With the efforts of John Goss, whose portrait hangs in the lobby of the theater, the generosity of Mr. Charles Sumner Bird, and the great support of many patrons, members, and friends, the warehouse on Scout Road was transformed into our present Footlighter Playhouse. We are one of the few non-professional theater groups in the country that can say, “We own our own theater!”

We have continued to make improvements to our playhouse. In the last five years, we have replaced the roof, added additional insulation and air-conditioning, rewired the electrical system, added a computerized lighting board and sound equipment, and upgraded the computer systems.

Theater Philosophy

The goal of the Walpole Footlighters is to produce quality theater on a continuing basis as an all-volunteer organization and to encourage participation from theater enthusiasts from the surrounding communities.

Membership Privileges

Members enjoy many privileges, the most important of which is the right to vote for officers and on issues that affect the organization. Paid members receive newsletters and frequent mailings detailing upcoming auditions, workshops, general meetings and social gatherings. Members are also eligible for discounted admission.

Membership Responsibilities and Participation

Anyone who wishes to be involved in the Footlighters and is over 18 or out of high school is welcome. Younger community members may participate with the permission of their parent(s) or guardian(s). Newcomers are encouraged to participate on stage and backstage. We welcome thespians of all kinds—young and old, experienced and novice.

Community theater involves a great deal of work in a variety of areas. Sets, props, costumes, sound, lighting, box office, publicity, posters, programs, and front of house staff are all essential to a production. The Footlighters also have to maintain the playhouse.

Of course, every show requires actors. However, we often have many more people who wish to act than we have roles. The organization works because many of these people are dedicated to the theater and they participate in other areas when they are not performing. All members will be called when help is needed and members are expected to help out where they can.

Everyone who participates in Footlighter activities is expected to treat the theater and all who enter with respect.

Membership Dues

The Footlighter season begins in August and ends in May. Dues for renewing members are payable any time after June and must be paid by October 15.

If you are participating in a production for the first time, you are eligible for membership and your membership is required for the season. Dues are collected by the Membership Secretary or the Member-At-Large during the production.

Dues are used to offset the cost of membership mailings. They are currently set at \$10 per person for the season. All family members residing at the same address can join for \$15.

Life Members

Many generous people have assisted the Footlighters over the years. In our early days on Scout Road, several patrons and members contributed monetarily to the theater to ensure its success. In 1958, one could become a Life Member or a Life Patron. There is a plaque in the lobby at the theater that lists the names of these generous people. Many of the original contributors are now gone, but we are still honored to have several Life Members and Life Patrons with us. Life Members receive all the privileges of regular membership and are not required to pay annual membership dues. Life Patrons receive a season subscription each year.

Ticket Policies

Reserved Seating Tickets

Reserved seating tickets are currently \$15. Groups of 10 or more are \$12 each. There are no refunds or exchanges on reserved seating tickets. All tickets must be paid in advance. The Box Office will not hold tickets without payment. Payment may be made by credit card (Master/Visa), check, or cash.

Tickets are sold through the Box Office line (508-668-8446), through the mail, or online at our web site at <http://www.footlighters.com>.

Season Tickets

Season tickets prices are determined by the Board of Directors. Current prices are available on our web site. These include reserved seats to all selected productions. We also offer a FlexTicket, which gives three admissions to be used for any performance or combination of performances.

Season tickets for a particular performance may be exchanged for another performance date by returning the ticket(s) to the Box Office up to one week before the production's opening night. Tickets may be returned by mail or in person. The new tickets will be held at the Box Office for pickup on the night of the exchange.

Complimentary Ticket Policies

Anyone who works on a production backstage or in performance is entitled to one (1) complimentary ticket. This ticket may be used by the person who works on the show or may be designated for someone else's use. The ticket must be reserved through the Box Office and seating is subject to availability. Ushers, ticket takers, and parking lot attendants are not eligible for a complimentary ticket.

Member Discounts

Paid members in good standing are eligible to purchase two (2) tickets for each production at the group rate of \$12. Member discount tickets must be purchased through the Box Office and seating is subject to availability.

The Footlighters is also a member of Stage Source. A limited number of Stage Source Circle of Friends cards are available from the Member-At-Large every year. The Circle of Friends card enables the bearer to purchase two-for-one tickets at other member theaters.

Waiver of Injury

All participants in a Footlighter event other than a social event are required to sign a liability waiver. Waivers are available from the Member-At-Large and are required of all those auditioning for productions. Anyone who does not sign a release form will not be allowed to participate in any activity on theater property.

Governance

Board of Directors

The Walpole Footlighters is incorporated with the State of Massachusetts and is governed by a Board of Directors. The members of the Board are nominated and elected by the general membership, with the exception of the Play Committee Chair, who is elected by the members of the Play Committee. The Board is currently comprised of the following members:

President	Vice President
Secretary	Treasurer
Public Relations Manager	Activities Manager
Business Manager	House Manager
Subscriptions Manager	Box Office Manager
Play Committee Chair	Member-At-Large
Newsletter Editor	

Members of the Board of Directors must:

- Submit a budget at the August meeting
- Submit a final report at the June meeting
- Attend all General and Board meetings

Board of Director Meetings

The Board of Directors meets once a month from September to June, usually at the theater. Meetings are announced in the newsletter and on the Footlighters web site. At each meeting, Board members are required to submit a report of the progress of activities in their respective job assignments. The Board also approves or disapproves expenditures for the improvement of the theater's physical plant and to conduct general business activities. Board meetings are open to the public. Any member is welcome to observe a Board meeting.

Membership Activities

General Meetings

The general membership meets to conduct business regularly. The By-Laws require an annual meeting (see below). Any activity that requires a vote by the membership is scheduled at these times. The membership meeting is a time for all members to discuss the business of the theater, share information, and socialize. All members are encouraged to attend. According to our bylaws, a quorum of twenty percent of the membership must be present to conduct official business. Each membership meeting begins with Board of Director reports to the membership, followed by any business that the general membership wishes to conduct. The agenda for the meeting is posted in the newsletter or mailed to the membership before the meeting.

Annual Meeting

The Annual Meeting is held each June. The purpose of the meeting is for the general membership to vote on the proposed slate of officers and committee members submitted by the nominating committee. At the Annual Meeting, the membership also concludes business of the Footlighters for the season. The Annual Meeting is usually an outdoor social event as well.

Spring Cleanup

Each spring, after the final show closes, a thorough cleanup of the theater is scheduled. The Vice President is responsible for planning the cleanup. All members are encouraged to help sometime during this event.

Activities and Workshops

Social events are scheduled throughout the season to give members an opportunity to get together without the pressures of working on a production. Typically, the Footlighters host a party in January and one at the Annual Meeting in June. The Activities Chair is responsible for scheduling and organizing social events.

Workshops provide members the opportunity to participate in a production or reading or for teaching theater skills outside the regularly scheduled season. The Activities Chair is responsible for scheduling workshops. Members who are interested in conducting a workshop or directing a workshop production should see the Activities Chair.

Committees

The Walpole Footlighters has two standing committees, the Play Selection Committee and the Nominating Committee.

Play Committee

The Play Committee is made up of five members who are elected for rotating terms of two years. The candidates for committee members are selected by the Nominating Committee and elected by the general membership at the Annual Meeting. The committee members elect the Play Committee chair from their ranks; traditionally, it is one of the continuing members of the committee.

The Play Committee is responsible for reading scripts submitted by the membership and selecting the next season. The Committee must announce the next season, with alternates, by March 15 of each year.

The Play Committee is also responsible for selecting directors for the upcoming season. The Play Committee notifies all potential directors of the season selection and the deadline for indicating interest in directing. If needed, the Play Committee may ask for a written proposal or request an interview with potential directors to help them make their decision.

Note: The Play Committee is no longer required to attend auditions nor do its members participate in casting decisions. Play Committee members may audition without conflict of interest.

Nominating Committee

The Nominating Committee convenes to select a slate of potential officers. The slate is presented to the membership for election at the Annual Meeting. The Nominating Committee may also be convened if a board member resigns and must be replaced. The chair of the Nominating Committee is the Member-At-Large.

Other Committees

Other ad hoc committees may be established by the Board of Directors as needed.

Membership Representation

The general membership is represented on the board by the Member-At-Large. If you have any question or comment that you would like to bring to the Board's attention, please notify the Member-At-Large.

Production Tasks

The regular season productions are the Footlighters' product and are what keeps us in business. To do this, help in many areas is essential.

Performance

All auditions are open to members and non-members. Everyone is encouraged to audition. Pre-casting is strongly discouraged. If a director has decided to pre-cast a role, it will be announced in all audition notices.

Casting is the prerogative of the director and his or her staff. Casting should reflect the best choice of acting talent appropriate to the show and the ensemble. If there are two actors of equal qualifications, the director may give preference to candidates who have made previous non-acting contributions to the organization.

Everyone in the cast is required to join the Footlighters for the current season by paying membership dues.

Design

There are multiple opportunities for set and lighting design during the season. If a designer has not worked with the Footlighters previously, her or she may be asked to work with one of our established designers to become familiar with the theater and the facilities that are available.

Directing

Directors are selected by the Play Committee after the season has been announced. A director may be asked to submit a brief written proposal or have an interview with the committee. If a director has not worked with the Footlighters before, the Play Committee may recommend that he or she act as Assistant Director with one of our established directors to become familiar with the theater and the facilities that are available.

Backstage

Before the production opens, the Production Manager is responsible for recruiting backstage staff and seeing that all production activities occur on schedule. During performances, the Stage Manager is in charge of the backstage area. There are many opportunities during each show to participate backstage. Check with the current production manager.

Set Strike

Set strike occurs on the Sunday or Monday following the final performance of a show. Everyone involved in a production, on and off stage, is expected to participate in set strike. Many hands make light work! Strike is called by the Production Manager. At the end of the strike, the theater should be ready for work on the next production to begin.

Front of House

Front of House staff includes ushers, ticket takers, parking attendants, and box office staff. Ushers and ticket takers also act as concessionaires during the intermission and are responsible for picking up the theater after the show is over. Ushers and ticket takers are recruited and managed by the Head Usher.

House Rules

For your health and safety, it is important to keep the house in good order at all times. Tools must be returned to their assigned locations when not in use. Do not handle any equipment unless you are familiar with it.

The Footlighters does not have a janitor on staff, so everyone needs to pitch in to keep the premises clean. Trash baskets and other waste containers must be kept in order and emptied when they are full. Because the theater is on the edge of the woods, food left out will attract vermin. Food should not be left in the open; seal it and put it in the refrigerator or throw it away in the dumpster outside the stage left door.

The Footlighters is a non-smoking facility. Smoking is only allowed outside the building. There are sand buckets outside each door for cigarette disposal.

The sinks in the dressing rooms are old and the drains do not work well. Do not wash anything down the drain that is thicker than coffee. Food or paint will clog the drains. Painting tools should be cleaned in the sink by the oil tanks.

If you are involved in construction for a show, please see the Master Carpenter or the Production Manager before purchasing new construction materials. We have a good stock of lumber and other materials backstage and under the stage. It is often possible to build much of a set from stock.

If you notice a particular area of the theater in need of special care, please contact the House Manager.

Expenditures and Reimbursement

During the course of a production, it is sometimes necessary for individuals to purchase materials out of pocket. All purchases should be authorized by the director or production manager prior to purchase.

The Walpole Footlighters is a non-profit corporation and has a State Tax Exempt certificate. This certificate is usually required to make a purchase without paying state sales tax. We also have charge accounts with several vendors in the community. If you are required to purchase materials and you are not familiar with the vendor list or you need a copy of the State Tax Exempt certificate, please contact the Treasurer before making a purchase.

To obtain reimbursement for production expenses, submit a complete receipt for the purchase to the production manager, who will sign the receipt and submit it to the treasurer. Business expenses may be submitted directly to the Treasurer. The Treasurer will not reimburse sales tax because a State Tax Exempt certificate was not used. All materials reimbursed become property of the Walpole Footlighters.

Theater/Box Office Telephone Use

Theater: 508-668-7918 to reach someone on theater property
Box Office: 508-668-8446 to reserve tickets

The telephones in the theater are for incoming calls and local area dialing. If you need to make a long distance call from the lobby or backstage phone, you must call the party collect or use a personal calling card.

Outgoing calls are not permitted from the box office phone.

Any long distance calls made from the theater that are not related to theater business must be reimbursed to Walpole Footlighters, Inc., within thirty (30) days, pursuant to Article VII, Section 1 of the Bylaws.
